# Plastic Drink Bottles

## Metro Sustain Bottle 800ml

**\$10.88**  
Each Plus GST

The Metro Sustain uses plant-based plastic derived from renewable sugarcane. Sugarcane is a low impact crop that requires minimal irrigation and fertiliser. After extracting the sugar, the left-over pulp is transformed into the plant based polyethylene plastic. For every kilogram of sugarcane-based polyethylene produced, 2.12 kilograms of carbon dioxide equivalent are eliminated, therefore contributing to the reduction of global warming.

## Metro Tritan™ Bottle 800ml

The Metro Tritan™ water bottle has a distinctive wedge seal lid with a built-in carry handle. The wedge seal design seals the bottle from the inside edge (not the top), eliminating the need for a silicone ring and making the bottle 100% recyclable. The Metro water bottle is proudly Australian made and supports local production.
