Shara 240 g/m2 Aware Recycled Apron

Crafted for durability and comfort, the Shara apron is made from OekoTex and GRS-certified fabric, featuring a robust 240 g/m² blend of 70% recycled cotton and 30% recycled polyester. This high-quality material ensures a thick, sturdy construction while maintaining a soft and comfortable fit for extended wear. Designed with sustainability in mind, this apron supports a circular economy by minimizing waste and promoting a closed-loop production system. It features two spacious adjacent pockets (22 x 20 cm each) for convenient storage and a 1-metre tie-back closure for an adjustable and secure fit. For added transparency, each apron is equipped with an Aware™ tracer, allowing users to track the product's journey and origins via a QR code.

Lagom 470ml Tumbler With Stainless Steel Straw

The Lagom 470ml Tumbler with Stainless Steel Straw features durable double-wall construction with built-in insulation to keep your beverages hot or cold in any environment. It comes with a food-grade stainless steel straw that has a comfortable removable silicone tip for safe and convenient sipping. The Lagom also includes a spill-proof press-on lid, which features a slide closure. The included straw is an eco-friendly, environmentally responsible, and sustainable alternative to disposable plastic straws.
