Picasso 2 Eco Stylus Pen

Step into the future of writing with our revolutionary inkless pen, featuring a cutting-edge graphite tip and a versatile captive mesh stylus. Crafted from recycled aluminium, this eco-friendly marvel boasts an ergonomic triangular body to ensure comfort and precision with every word you write. Whether you're jotting down notes or navigating your touch devices, it is the ultimate tool for the modern writer.

Flow Eco Pen

The Flow Eco pen is the pinnacle of eco-friendly elegance. Crafted from recycled aluminium and bamboo, this pen is not just a writing instrument—it's a statement of your company's commitment to sustainability. With its smooth, rich gel ink, the Flow pen ensures a writing experience that is as flawless as it is fluid. The sleek design and durable construction make it a reliable companion for any professional setting.

Nash Recycled Black Pen

The Nash black edition ballpoint pen has a stylish curvy design with black trims, and is made from RCS certified recycled plastic, reducing the need for virgin materials. Thanks to the fast click action mechanism, the ballpoint pen is quick to use and has a soft grip, which reduces any tension on the writing surface.

Niove Recycled PP JournalBook & Pen

The Niove Recycled JournalBook is a sustainable choice for everyday writing. Crafted from recycled plastic, it features 70 lined sheets of smooth 70 g/m² paper. Not only does the Niove have a pen loop but it also comes with a matching recycled ballpoint pen.

Set up and freight charges are additional. Images and logo used for illustrative purposes only. Minimum order quantities per product.
